

Welcome

Welcome at the website of QuESD NV. When you're looking for an innovating company and a progressive software partner, look no further!

We provide for over more than 9 years high-tech and innovating solutions for all kinds of customers. They vary from Siemens, Avaya, Alcatel to smaller companies like Ergotec, HearingCoach and others.

Please take a look at our services and references to get a broader look at our activities.

Jim Kunnen,

CEO
